# EDNORMOUS

Our largest (enormous) amount of storage yet! The EDnormous is an enhanced version of our ever-popular ED Double, allowing for customized storage on each end. Choose Gragnells bin storage or split shelf design, and feel free to double up or mix and match. With doors standard on every storage compartment, your space will remain aesthetically tidy, with an upgrade option for locking capabilities. For open storage design, simply order without doors. However you choose to customize, you are sure to have plenty of ways to organize and store!
