

### NUCLEUS, MINI NUCLEUS, TOMAH, QUAD XL, URBAN EDGE, SUSIE & SQUARE CUBE

#### Tops

- High Pressure Laminate Top w/Edge band* The core material is 1.125" thick particle board with a phenolic backer sheet and high pressure laminate on top making the total thickness of the top at 1.25". Edge band is applied to all edges, radius corners. Color matching unless otherwise specified.
- High Pressure Laminate Top w/Lotz Armor Edge™* High pressure laminate (HPL) top and moisture preventative & gum resistant phenolic backer bonded to 1.125" thick medium density fiberboard (MDF) core. Total top thickness 1.25". Lotz Armor Edge™ is a WB exclusive polyurea that is extremely strong and durable. This edge will not separate from the MDF core and makes the edge completely water tight. 0.25" beveled radius edge.
- Hardwood Top* 1.75" thick, face-glued hardwood strips with 0.125" radius all corners/edges with two coats catalyzed clear lacquer top and sides with one clear coat bottom. Tops over 36" come in 2 pieces, 0.5" undersized, field assembled with joint connector bolts. Not recommended in areas with high exposure to moisture, such as sink locations. This will void the MFG Warranty. NOTE: Wood is a natural product that is susceptible to indentations from everyday use, including the pressure from tools and writing utensils. While this adds character to the worksurface, some may find that this worksurface type is not the best for their specific application. Because of the natural properties of hardwood, refinishing the worksurface periodically is recommended. Available on CLW models
- Phenolic top* 1" thick black phenolic resin and cellulose fiber composite top with 0.125" radius edges and corners with high resistance to chemicals, humidity and abrasions. Available only on CLN and CLW models

#### Construction

- Classic Finish (C)* Classic cabinet sides, back, sub-top/sub-bottom constructed using fully doweled 0.75" particle board w/double-sided thermal fused laminate (TFL) and edge band\*
- Premium Finish (P)* Premium cabinets are constructed the same as Classic cabinets, except Premium cabinet components are double-sided high pressure laminate (HPL) in place of double-sided TFL
- Doors* 0.75" double-sided TFL; edge band\*; 4" satin nickel pulls; 6-point adjustable concealed hinges (European hinge)
- Shelves* Double-sided TFL; edge band\* on front edge; adjustable shelves have four double-pin shelf clips per shelf to prevent shelves from sliding out or tipping; fixed are fully doweled
- Drawers* 0.75" matching front w/edge band\*; 4" satin nickel wire pulls; standard full extension side mount steel ball bearing glides
- Tote Trays* 3" tote trays; translucent is standard; see catalog for additional color options; quantity of totes vary based on height; only available on CLN models
- Trash Ring* Stainless steel trash ring(s) available on Nucleus and Mini Nucleus
- Trash Pullout Drawer* 0.75" double-sided TFL; edge band\*; 4" satin nickel pull; telescopic over extension ball bearing slides on double waste bin sorter/trash door; includes (2) 38 liter waste bins
- Base (Mobile)* Integrated, 1" caster base; edge band\*; 3" heavy duty plate casters (two locking and two non-locking); casters installed onsite by others

\*edge band is matching, unless otherwise specified. Complementary color available upon request.

#### Accessories/Options

	Adder Code	Description
<i>Connecting magnets</i>	-M	Connecting magnets for HangOut stools; CLQ, CLN and CLW models only; n/a on phenolic tops
<i>Non-Standard Edge Band</i>	-S2_	(per color)
<i>Premium Lotz AE™ Colors</i>	-S2_	(per color)
<i>Markerboard Top</i>	-__MB	Provided for the special needs of applications requiring a durable, gloss decorative surface that ensures easy erasure of dry erase markers. See catalog for options.
<i>Black Chemical Resistant Top</i>	-09C	Available on laminate top w/Lotz Armor Edge™ or w/edge band (matching, unless otherwise specified). Specifically designed for highly corrosive environments and is ideal for applications where harsh cleaning agents may be over-used and damage other decorative surfaces.
<i>Lock (per location)</i>		Deadbolt locks
<i>Power options</i>		See catalog
<i>Additional colors and 6", 9" or 12" totes trays</i>		
<i>Tote tray lid</i>
